Sometimes the road is a long one
And pain and trouble beside us awhile
Be not afraid, only believe
God's hand is in yours through your trial

Sometimes the night is a dark one
The morning seems ages away
Be not afraid... only believe
He is with you till breaking of day

And soon comes the brighter tomorrow
Casting aside all that is dim
He cares for you... be not afraid
Only believe in Him

Dear Jack, —
I have been following your entire case and your trial and I want you to know that I sympathize with you, for, I'm sure you are a great believer in democracy and liberty for all.

The assassination of President John F. Kennedy touched deeply, almost everyone in the United States, for he was the SYMBOL of democracy, justice and freedom, and I don't think the U. S. A. will ever have another man, like JFK, in the white house again.

I predicted he was going to be President of the United States and dedicated a song to him: "AMERICA EVER FREE" which he accepted; copy of his letter, (photostat) you will find enclosed with the music sheet, for,

I want you to have a copy.
"AMERICA EVER FREE" shall be the
METTO of every true American.

Two months ago I made a
DANCE-RECORD of this song but I
could not be lucky enough to
send one to T.H. However, his
wonderful principles shall never
die, for, he did not die in vain,
I'm sure.

I wanted to send you couple
of records (not for sale) but I don't
know if you could play it
and hear it. Let me know if you
can and I'll send couple to
you.

Do not discourage yourself
and have faith in God and then
in man.

You shall be acquitted!

God bless you.

Truly yours

Not only was Jack Ruby in shock and insane. But all of us who loved President Kennedy were insane from shock.

There is no question about it.
Like all of us, Ruby was insane.
Who wasn't?

Our President Kennedy. I tested
our world turning. Our men went
back to work, we could afford

milk and meat helped our children
to grow less and less. Charity

 can only swear they seen it

 I can swear, I seen Super Man

 also was on TV.

If Jack Ruby did take such a chance
 and did kiss Oswald, he was in
 the same state of mind the world
 was suffering. But he had gutters
 that even if Oswald lived, he could
 have broke down under the strain.
 And there would have been trouble.
 For his testimony could have involved
 some of our wanted to be Republican

 what no one has published who it was.
 You in mind, however, for I believe in
 the possibility of our Republican I have

 I will get revenge if it's the last thing

I do.

Public Wants to know. Are
the people of Dallas, are Dallasians?

It is not Dallas, but the republicans
already, before a trial, was killed
there. I am not a native of Dallas.
But have Dallas the party's make

What are they? Educational narrow
minded people?

I am not ashamed of what I
have written.

But I will not sign my name

My Brother -

When Jesus came to Bethpage unto Mount of Olives. He sent two disciples. Go into the village and you'll find an ass and a colt tied; loose them and bring them to me. And if any man says who wants them and what for? you must say the Lord hath need of them and he will send them.

Then, as the people hung Jesus on the Cross, there were two other men already on the Cross. One man said "Remember me when you come into thy kingdom." Jesus said "Today you shall be with me in paradise." (Was it not one man a thief, the other destroyed a life.

God sets free of those He is in need. God has your blue print of life from the day you were born. After the Court's lengthy ordeal you will receive freedom and forgiveness from God. I have shown you this simple fact.

Someday God will send a Pastor, with love, compassion, kindness and a very sweet person your way. Maybe yours to help build a mission someday. Remember that things here on earth will pass away, they do every day. But that little precious treasure up there in God's Kingdom will await you when you arrive, and all these that, trials, tribulation will be nothing, in comparison with the precious treasure God gives you.

- 3 -

I pray, I have given
you, Comfort and peace,
thru our Lord (Our Father)
and a feeling of Contentment,
a new hope in life with
a new vision that God
will receive all the glory.
Maybe I am answering
your prayer, sometimes
God gives us words
to perform.

I am Alpha and Omega.

I am not signing my name
in this way only God will
receive the Glory.

In Christ I remain
I pray for you.

Remember God is omnipotent
and He can read this letter

writer He knows.

May God Bless you.

Dear Mr. Ruby,

You have committed a murder. You have killed an assassin before he had a chance to be proven guilty, you have deprived the people of the United States of America to do justice, by doing it yourself in a moment of anger or insanity. You also deprived Oswald the chance to repent and maybe even to save his soul.

The motives why you murdered this man could be several. It could be that you were infatuated with communists (but I do not believe so) or you could have taken money to silence him for the communist party. The other motive could be that you wanted to show that if someone could murder someone you loved and respected you were capable of the mortal sin of murder to avenge his death. Whichever way

it was you must have been a little out of your mind or you would have not done it. In other words you are guilty of murder but of murder of an assassin a man that most surely did kill because he had involved it other attempts to murder.

I have been reading in the San Antonio light about the election of a jury for your trial. It seems to me that they are getting people that agree on a death sentence, and not only agree on it but say they can and will sentence you the chair because you are guilty.

Well, we all know we can put you there, but the question is if we may. They are doing to you what you did to Oswald, convicting you before a chance of a trial. "An eye for an eye and a tooth for a tooth," says the old testament. I want to remind them that we are not Jewish, we are Christians, Jesus commanded to love one another, to return kindness for unkindness and passed to us the commandments given to Moses by God and one of them was or

is "Thou shalt not kill". Now I say to you, we the people of the United States can put someone in the electric chair in self defense if the life and souls of other people is in danger by letting you live, but if you are repentant, if you see your guilt, if you promise not to lose your head and specially if you convert to Christianity your sentence should be life. I do not believe in the electric chair or death sentence unless it is as I said before for the safety of other lives and souls. We are Christians we should not kill. Your life in prison could save your soul and many souls who would give thanks for your living and may turn in anger because of your death or in pain like I would.

If someone kills we do not have to kill back, that is not justice it is vengeance. Justice would let you live in seclusion until death. Your soul then would be ready for death, and it would go to purgatory or Heaven or it would stay with you until Jesus returns. Now you may go to Hell, purgatory.

or Heaven. If you believe in Jesus you may be saved and attain eternity through Him by your death. You may have been baptized by desire, if you ever wished to have been like a Christian.

You, the Jews are the chosen people who brought Jesus to us. He was Jewish and fought those He loved, his own people, because He was to do the Will of God by dying on the Cross and rise and ascend to form His Church. I am a Catholic and I believe in my Church. As God manifests Himself to the Jews through the Holy Spirit, so has God and Jesus who are one have manifested Himself to me through the Sacrament of the Holy Eucharist.

Trust in God and ask for a Catholic priest and take instructions from him. You do not have to convert, but it may turn out better for your mental health and salvation than going to talk to the psychiatrists.

This prayer was taught to us by Jesus Christ. Our Father who art in Heaven, hallowed be Thy name; Thy
